

Overview

A student may propose a major program with as few as 24 semester hours in one discipline, and a total of 52-76 semester hours. The program will be subject to the approval of the primary and secondary Schools/Departments involved and the Dean of the College, and will be administered by a member of the School/Department giving the core of 24 semester hours or more.

Please obtain signatures from the primary and secondary School/Department Chairs where courses have been taken, as well as from your Major Advisor(s). This form is not complete until all signatures have been obtained.

If approved, your transcript will list your major as Individual Interdisciplinary, and your degree (BA or BS) is determined by the courses which comprise your program.

How to Complete this Form

- Step One: Discuss the proposed major program with the IDS coordinator, Dr. Kristen Amick, amickkm@westminster.edu.
- Step Two: Discuss the proposed major program with the school/department faculty members.
- Step Three: Obtain signatures from primary and secondary school/department Chairs where courses have been taken and from the IDS coordinator.
- Step Four: Attach your written rationale for this major on a separate page.
- Step Five: Sign and date form.
- Step Six: Email the (1) completed form and (2) written rationale to Academic Affairs at acadaff@westminster.edu.
