

IQ STEM: SECONDARY EDUCATION SCHOLARSHIP PROGRAM

Currently pursuing or have an interest in teaching 7-12 grades in STEM (Science, Technology, Engineering and Math) disciplines?

Join us for an informational session on the IQ:STEM scholarship program requirements and application process:

DATE: Monday, September 25, 2017

TIME: 11:40 a.m.

PLACE: Hoyt 150

Students in STEM majors with a GPA of 3.0 or higher are eligible to apply for a \$15,000 grant for tuition, room, and board during both your junior and senior year!
