FUN DAY FRIDAY – POP UP MILKSHAKES, PAINT A PUMPKIN & BYO DIRT DESSERT

Fun Day Fridays is a new way to engage the students by featuring a fun activity a special food item.

October's Fun Day Fridays: October 17 was vanilla milkshakes with chocolate drizzle and whipped cream. The milkshakes were made to order right there during lunch at the TUB's Titan Chef. What goes best with milkshakes? Burgers & fries, of course and that was the meal of the day.

The following Friday, it was Paint a Pumpkin. Students who dined at Galbreath Dining Hall had an opportunity to participate by painting a pumpkin that they got to keep.

Lastly, on October 31, students were able to build their own dirt dessert during lunch and dinner at Galbreath Dining Hall.

HOMECOMING HOT SPOT

Walking Tacos were a big hit at the Homecoming Hot Spot. The meal included an oversized bag of chips loaded with taco meat and your choice of toppings; along with a beverage and cookies.

NATIONAL FOOD DAYS

We love featuring national food days like Chicken Taco Bar for dinner on October 7 and Pierogies for lunch on October 8 at Galbreath Dining Hall and lastly, Overnight Oats samples & sales on October 30 at the TUB.

MAGICAL MONTH OF BIRTHDAYS

Celebrating the Magical Month of Birthdays at Galbreath Dining Hall is a way for students to celebrate their birthdays with friends each month, we serve birthday cake/cupcakes and ice cream for dessert with a meal swipe.

MEAL PLANS FOR ALL

The two groups on campus with Meal Plan flexibility are commuters and faculty & staff. October 8 was Faculty & Staff Appreciation with a special door price. All who attended were entered in a drawing for a snack box. Congratulations to the winner!

FLAVOR SEEKERS WINGIN' IT & WING EATING CONTEST

The Flavor Seekers Swipe+ events occur once a month at Galbreath Dining Hall. In October, we featured a wing night with your choice of bone-in or boneless chicken wings. Students swiped for their regular meal and had an option to use an extra \$7 (Dine Dollars) for a dozen wings with their choice of sauces. All our Flavor Seekers Swipe+ events are popular among the students. Wingin't was another sell out with 76 sold, in which we generated an extra \$532.

In addition to the Swipe+ event, we hosted a wing eating contest. Each participant had to eat 3 ghost pepper wings in the least amount of time to place in this friendly competition. First Place goes to Gabe S. with 35.70 seconds, who won bragging rights and a snack box. Second place was Jake W. with a time of 53.40 seconds, and third place was Lucas C. with a time of 53.41 seconds. The second and third place finishers received food vouchers as prizes.
