FAQs

Who is required to have a meal plan?
All residential students are required to have a campus meal plan each semester to ensure consistent access to meals and support student wellbeing. Commuter and townhouse residents may choose from additional plan options.

How do meal swipes work?
Meal swipes provide entry to the all-you-care-to-eat dining hall during scheduled meal periods. They can also be used for a meal bundle at Meal Swipe Express. Plans are structured weekly, which helps students maintain a routine and removes the stress of budgeting meals across the semester.

What are Dine Dollars?
Dine Dollars are a debit dining account that can be used for meals, snacks, and beverages at The TUB, Campus Center Starbucks, and Galbreath Dining Hall. Dollars roll over from fall to spring semester, but expire at the end of the academic year.

What is Meal Swipe Express?
Meal Swipe Express allows students to use a dining hall swipe for a bundled meal at a retail location during designated times. It's designed for busy days when students want a full meal without sitting down in the dining hall.

What if a student has food allergies or dietary preferences?
Campus dining includes daily vegetarian, vegan, and allergy-friendly options, including gluten-free selections. Dining teams prioritize transparency and are available to help students navigate choices safely. Our chef would love the opportunity to hear about your needs and offer recommendations for you to enjoy!

SUSTAINABLE DINING INITIATIVES

Green to-Go reusable containers
Take your meal to go! Our reusable containers allow meal plan holders to take a Galbreath Dining Hall meal anywhere. Containers are available from the cashier when swiping in. Bring your empty container back to the dining hall to get a clean one, or the ability to check one out again later!

ALLERGENS & PERSONALIZED DINING

We know that dining preferences amongst our campus community are diverse and personal, so we offer a variety of offerings that are vegetarian, vegan, gluten-free, lactose-free, and more at each location and for every meal. All of our menu items are labeled with the top 9 allergens, according to the FDA.
