

Service Chair Resolution

Whereas service has become an essential part of teaching and learning at Westminster College. To wit, Westminster College received the President's Higher Education Community Service Honor Roll for exemplary service efforts and service to America's communities for the third consecutive year

Whereas Westminster College's Strategic Plan includes the following: "Develop and demonstrate moral and ethical commitments to neighbor, society, and the natural world consistent with the understanding of self" as well as, "Commit themselves to lifelong learning and the acquisition of skills for careers and responsible service as world citizens."

Whereas the Service Chair can provide students with more opportunities for community service both on and off campus

Whereas Westminster College seeks to increase the visibility of the Drinko Center for Excellence in Teaching and Learning

Whereas the Service Chair will be the student liaison to the Drinko Center for Excellence in Teaching and Learning

Therefore SGA moves to add the Service Chair as the seventh member of the Executive Committee and add the following amendments to the by-laws:

300.00

The Executive Committee shall consist of the chairs of Student Concerns, Special Events, Academic Affairs, Finance, Public Relations, Diversity, and Service as well as any additional chairs of standing committees created by the Executive Council acting under the auspices of the Constitution of the Student Government Association and in accordance with these by-laws.

400.00

Service Committee shall be responsible for, but not limited to promoting and organizing community service opportunities for the student body both on campus and in the neighboring community. Additionally, the committee will serve as liaison to the Drinko Center for Excellence in Teaching and Learning.
