- ◆ Credit for successfully completed transient coursework is awarded according to the semester hour values on the transient transcript: e.g., a course worth 3 semester hours will be credited as 3 semester hours on your Westminster record.
- ◆ Courses earning credit other than semester hours (quarter hours, units, etc.) will be converted to semester hours.
- ◆ If a 3-semester hour course is approved to meet a 4-semester hour requirement, total hours for graduation must be monitored, and if additional hours are needed *physical education courses cannot count for the extra semester hour(s)*.
- ◆ Credit will be granted for transfer work in which grades of C- or better are earned.
- ◆ Grades earned through transfer work are *NOT* calculated in the Westminster GPA
- ◆ It is your responsibility to request an official transcript from the transient institution be sent directly to the Registrar's Office once your work has been completed.
