

BEFORE YOU BUILD A FIRE

Fires in the fire pit at the College Field Station MUST be authorized at least 24 hours in advance.

For permission, contact Dr. Clarence Harms, Director of the College Field Station
harmsc@westminster.edu (preferred way to communicate)
724.946.8520 (office) or 724.946.2981 (home)

Dr. Harms MUST KNOW the following:

Who is planning the fire
(group and person responsible)

When the fire pit will be used
(beginning and ending times)

Dr. Harms will meet with you before the event to explain the following:

Where the firewood is located
Limits of fire size
How to put the fire out and clean up

Dr. Harms will provide a bucket for dousing the fire
and he will clean up residue in the fire pit the next day.

It is expected that groups will be responsible for removing trash.

ALL WESTMINSTER REGULATIONS APPLY.

NO ALCOHOLIC BEVERAGES ARE PERMITTED.

PUBLIC SAFETY WILL EVICT INTRUDERS.

Walking the trail is permitted at any time.

Fires are not!
